

## NOTIFICATION

### Invitation to submit report on the implementation of the Programme of Work on Sustainable Use of PGRFA and Supporting Initiatives

---

Dear Madam/Sir,

You will recall that, at its Seventh Session, the Governing Body of the International Treaty, through [Resolution 6/2017](#), requested the Secretary to “*continue inviting and collecting submissions from Contracting Parties, other governments, relevant institutions, organizations and stakeholders on the promotion and further improvement of measures for the sustainable use of PGRFA while reducing the reporting duplication for Contracting Parties, which already report on the implementation of the Second Global Plan of Action for Plant Genetic Resources for Food and Agriculture.*”

While the Secretariat is collaborating with the Secretariat of the Commission on Genetic Resources for Food and Agriculture with regard to reports received on the implementation of the Second Global Plan of Action for Plant Genetic Resources for Food and Agriculture, the purpose of this notification is to solicit submissions from Contracting Parties and stakeholder groups that have not yet submitted their inputs and /or would like to update their reports on the implementation of the [Programme of Work on Sustainable Use of PGRFA and Supporting Initiatives \(PoW\)](#).

To facilitate the consolidation of such inputs for the consideration of the Ad Hoc Technical Committee on Sustainable (ACSU), I would appreciate receiving such information by 15 December 2018 at [PGRFA-Treaty@fao.org](mailto:PGRFA-Treaty@fao.org).

For any query or request for further information, please contact the Secretariat of the International Treaty:
