

# International Forum for Agroecology

at the Nyéléni center in Mali

November 7-12. 2014

## The objectives of the forum:

- Strengthening the synergies between the different organizations promoting agroecology;
- Develop farmers' innovations to meet the considerable challenges of tomorrow's agriculture;
- Harnessing the collective efforts towards sustainable agriculture;
- Exchanging local knowledge and know-how;
- Working for favourable agroecology public policies to be developed and implemented.
- To strengthen food sovereignty.

The forum is also in the context of the celebration of The International Year of Family Farming - 2014 .

## Members of the steering committee:

CNOP-Mali, La Via Campesina, ROPPA,  
The More and Better Network.

## The Nyéléni Centre in Sélingué - Mali

The center was built for the Nyéléni forum for Food Sovereignty in 2007 and has after the forum become a conference center and a training center for agroecology.

**MORE and BETTER**  
An international network for progress of rural agriculture  
and local development. It mobilizes talents and capacity
