### Objectives and programme

**Objectives**
- To share good examples of countries’ stunting reduction efforts through joint action while highlighting individual UN agencies’ strengths;
- To demonstrate the joint UN vision on stunting reduction in the Post-2015 Development Agenda.

**Programme**
1. Welcome and Keynote address
   - High-level UN representatives from FAO and WHO
2. Country presentations from key technical experts representing the UN team in their country and reflecting on the UN Network role in supporting national multi-sectoral approaches to nutrition with focus on stunting reduction:
   - Rwanda: The development of a joint UN programme to support national multi-sectoral scale-up of nutrition actions
   - Bangladesh: Coming together to advocate and catalyse action for nutrition
   - Peru: Joint support to National Scaling Up Nutrition efforts
3. Q&A and moderated discussion
4. Wrap-up and Conclusions by David Nabarro
5. Closing remarks by high-level UN representatives

### Speakers

- Oleg Chestnov, Assistant Director General, WHO
- Jomo Kwame Sundaram, Assistant Director General, FAO
- Ramiro Lopes da Silva, UNSCN Chairperson and Assistant Executive Director, WFP

Speakers from UN country teams - Rwanda, Bangladesh and Peru
