MEMBERSHIP OF THE COMMISSION

I. INTRODUCTION

1. By paragraph 1 of its Statutes, the Commission is open to all members and associate members of the Food and Agriculture Organization. It is composed of those members or associate members which notify the Director-General of their desire to be considered as members of the Commission.

2. At present 168 countries and the European Community are members of the Commission. These are listed under heading II below. FAO Members which are not yet members of the Commission are invited to apply for membership by returning the form contained in heading III of this document duly completed.
