

Project Evaluation Series

**Final evaluation of Pursuing Pastoralist
Resilience through Improved Animal
Health Service Delivery in Pastoralist
Areas of Ethiopia**

Project code: GCP/ETH/083/EC

Annex 2. Evaluation team timetable and itinerary

Preliminary stage, May: individual evaluators at their home locations reviewing project and supporting documents.

Teamwork in Ethiopia:

Initially with all three evaluators plus a representative of the FAO Rome Evaluation office, agreeing and refining methodology, then with different pairs to fit availability; and involving interviews and conversations with project staff and other stakeholders in Addis Ababa, in Regional, Zonal, and Woreda centres, and with pastoral livestock-keepers.
