RESILIENT AND NUTRITIOUS FOOD SYSTEMS IN AFRICAN CITIES

The inaugural **#AfricanCITYFOODMonth** campaign will highlight diverse, innovative and evolving African urban food systems. The campaign will provide a platform for insight, learning opportunities and support for local governments and food system stakeholders who are interested in shaping sustainable, nutritious and inclusive food systems.

THEMES

- Food in our cities
- Resilient food systems
- Nourishing our cities
- Sustainable food value chains
- Youth, women, business & innovation in urban food systems

FORMAT

- Social media (Twitter, Instagram)
- Websites (ICLEI, FAO, RUAF)
- Digital engagements (online webinars)
- Articles, publications, thought-pieces
- Case studies
- Photography and videography

**JOIN US and contribute to the campaign using
#AfricanCITYFOODMonth throughout July**

Share 2–5 minute videos showcasing your urban food initiatives. These can be of you speaking, or videos of projects or scenes.

Share case studies, project reports and news articles which can add to the themes above.

Let's build momentum around our urban food systems. All ideas and actions are welcome!
