#### THIS BADGE WAS DEVELOPED BY:

##### **Food and Agriculture Organization of the United Nations (FAO)**

FAO leads international efforts to defeat hunger. Serving both developed and developing countries, FAO acts as a neutral forum where all nations meet as equals to negotiate agreements and debate policy. FAO is also a source of knowledge and information, helping countries to modernize and improve agriculture, forestry and fisheries practices and ensure good nutrition for all.

[www.fao.org/climatechange/youth](http://www.fao.org/climatechange/youth)

##### **World Association of Girl Guides and Girl Scouts (WAGGGS)**

WAGGGS is a worldwide movement providing non-formal education where girls and young women develop leadership and life skills through self-development, challenge and adventure. Girl Guides and Girl Scouts learn by doing. The Association brings together Girl Guiding and Girl Scouting Associations from 145 countries reaching 10 million members around the globe.

##### **Youth and United Nations Global Alliance (YUNGA)**

YUNGA was created to allow children and young people to be involved and make a difference. Numerous partners, including UN agencies and civil society organizations collaborate in developing initiatives, resources and opportunities for children and young people. YUNGA also acts as a gateway to allow children and youth to be involved in the UN related activities such as the Millennium Development Goals (MDGs), food security, climate change and biodiversity.
