## Resolution .../2021

### International Year of Date Palm

#### THE CONFERENCE,

**Considering** the urgent need to raise awareness of the economic benefits of sustainably produced dates;

**Recognizing** the important contribution of dates to the adaptation to climate change;

**Noting** the importance of sustainable farming and production practices to the livelihoods of millions of rural farm families and small holder farmers in the Middle East and North Africa (MENA) and other regions of the world;

**Cognizant** of the historical contribution of dates, to food security, nutrition, livelihoods and incomes of smallholder farmers;

**Concerned** over the current need to invigorate market recognition of the benefits of dates and to promote efficient value chains embracing innovative mechanization, digitalization and post-harvest services;

**Recognizing** the vast genetic diversity of dates and their adaptive capacities to a range of production environments and marketing demands;

**Recognizing** that date palms as an important source of income and the need to empower youth and women through education, to assure the quality of family diets and to develop an agribusiness system that includes the crop byproducts;

**Recognizing** that the observance of an International Year of Date Palm by the international community would contribute significantly to raising awareness of the suitability for sustainable cultivation of date palm under adverse climatic conditions, while directing policy attention to improving value chain efficiencies;

**Stressing** that costs for implementation of the Year and the FAO involvement will be covered by extra-budgetary resources to be identified;

**Requests** the Director-General to transmit this Resolution to the Secretary-General of the United Nations with a view to having the General Assembly of the United Nations consider at its next session, declaring 2027 as the International Year of Date Palm.
