ALBANIA

Conference on 17th October

At the FAO 60th anniversary, the Ministry of Agriculture, Food and Consumer Protection in collaboration with the agricultural journalists association organized a conference on Oct 17th at the National Historical Museum. The deputy minister, representatives of the FAO projects, research institutions and farmers' associations took part in the event. All the discussions stressed on the important role played by FAO in Albania's development.

ARMENIA

Ceremony on the occasion of World Food Day (WFD) 14th October

A ceremony was held on the occasion of 25th Anniversary of the World Food Day in the Conference Hall of the Ministry of Agriculture of the Republic of Armenia. About 60 people (from the Ministry of Agriculture, non-governmental organizations, Armenian State Agriculture University, donor community and international organizations, mass media, etc.) were participating to the event.

Mr. Davit Lokyan, Minister of Agriculture of the Republic of Armenia, opened the World Food Day ceremony. The Minister thanked to all farmers and NGOs, international and donor organization for their significant support to the development of agriculture in Armenia.

Ms Kadlecikova (FAO Representative-Sub-regional Office for Central and Eastern Europe) addressed all participants and spoke about the "Agriculture and intercultural dialogue". This event was well attended by mass media and broadly presented in all Armenian TV channels, broadcast and news papers.

WFD FAO medals

Ms Kadlecikova awarded one medal to the Minister of Agriculture, additional medals to Mr. Arshaluys Tarverdyan, Rector of Armenian Sate Agricultural University, Mr. Petros Nersisyan, scientist – author of different tobacco and soybean varieties, Mr. Derenik Safaryan, scientist in the grape production, Mr. Garnik Shalunts, farmer, and Mr. Samvel Mkrtchyan, farmer, for the excellent support provided to the Sub-regional Office for Central and Eastern Europe of the FAO.

Planting of trees

The WFD celebration has been continued with planting trees by well-known personalities in Armenia. This worthwhile event was organized by “Friends of Nature” NGO.

Musical performance by children

The World Food Day Event was celebrated at a kindergarten in Yerevan with a performance given by the children. The representatives of the Ministry of Agriculture, the Armenian Agricultural Academy, the FAO Office in Armenia and several NGOs took part in the event. After the concert they gave gifts to the children.

WFD brochures and posters in Armenian and English language

Armenian and English language WFD brochures and posters have been prepared and disseminated.

AUSTRIA

World Food Day (WFD) event on “Power, Globalization, and Hunger” 11th October

“Power, Globalization, and Hunger” event has been organized for on World Food Day as well as for the International Day of Poverty Reduction, co-organized by the Federal Ministry of Agriculture, Forestry, Environment and Water Management, the Austrian Forum for Ecological and Social Matters and the Austrian Development Agency. The discussion focused on the social, political, economic, ecological and agricultural dimensions of sustainable agricultural production and consumption.

Ms. Maria Kadlecikova, SEUD, gave a presentation, titled “Intercultural Dialogue – Recognition of Needs and Rights, Enhancing World Food Security”.

The event had 150 participants from various ministries, agencies and embassies. Upon the suggestion of the Austrian Ministry of Agriculture, the FAO Sub-regional Representative has handed over WFD medals to Ms Getroude Pichler, Former Chairperson of the ECA Working Party on Rural Women and Rural Families and also to Mr. Herman Redl, Former Chairman of the ECA Executive Committee.

The event was intensively followed by the Austrian mass media.

CROATIA

WFD celebration round table discussion 16th October

National Food Agency from Osijek organized a round table discussion under the title: “Food and Science” on 16th October with participation of well known experts and mass media.

WFD brochures in Croatian language

The WFD brochure was translated into Croatian language and distributed for WFD promotion.

CZECH REPUBLIC

Workshop in Prague 19th October

The workshop “Agriculture and intercultural dialogue” was organized by the Ministry of Agriculture and the National FAO Committee with the support of the Food Research Institute in Prague. Mr. Miroslav Toman, Vice Minister and State Secretary chaired the workshop. The lecturers were given by seven famous international and Czech experts. On this occasion a brochure on Agriculture and intercultural dialogue, and relevant FAO activities were printed and freely distributed in Czech language. Governmental institutions, civil society organizations and journalists were invited, too. The WFD observance was covered by several national newspapers. The event was published on the webpage www.bezpecnostpotravin.cz.

GEORGIA

WFD main ceremony - Tbilisi 20th October

The main ceremony on the occasion of the 25th anniversary of the World Food Day/TeleFood was held in Tbilisi, Courtyard of the Marriott Hotel. The ceremony was attended by high officials of the Georgian Government (Parliament of Georgia, Ministry of Agriculture, Ministry of Foreign Affairs, Ministry of Environment, Office of the State Minister for European Integration Affairs, Ministry of Economic Development), representatives of donors (USAID, EC Delegation, USDA, Turkish International Cooperation Administration, World Bank, Millennium Challenge Corporation), professors from the State Academy of Agricultural Sciences and State Agricultural University of Georgia and Representatives of international and local non-governmental organizations. Ms Maria Kadlecikova, SEUD and FAO Representative in Georgia welcomed the distinguished guests. In her speech, the Sub-regional Representative highlighted the message of the FAO Director-General for World Food Day/TeleFood on “Agriculture and Intercultural Dialogue” and emphasized that “human and cultural ingenuity, the right vision, partnership and support – including that of FAO and the international community – can surely lead to progress in achieving food security for all.”

FAO WFD medals

During this main ceremony on the occasion of WFD/TeleFood celebration, The Sub-regional Representative awarded FAO medals to most prominent persons who significantly contributed to further strengthening FAO presence in Georgia and provided excellent personal support to successful implementation of the Organization’s programme and project activities. The medals have been awarded to: H.E. Giorgi Kheviashvili, Chairperson of Agricultural Committee of the Parliament of Georgia, H.E. Mikheil Svimonishvili, Minister for Agriculture, Mr Levan Ramishvili, Chief Advisor to the Minister of Agriculture in Veterinarian Affairs, Dr Tengiz Urushadze, Rector of state Agricultural University of Georgia, Mr. Lance Clark, UN Resident Coordinator in Georgia and Mr. Mamuka Shatirishvili, Evaluation and Monitoring Director of the Millennium Challenge Georgia Fund.

The Main ceremony was attended by representatives of local media and broadcasted through two major TV channels (“Mze” and “Caucasia”).

Visit Tbilisi House of Orphans 21th October

The World Food Day/TeleFood celebration continued next day on 21 October, when the Sub-regional Representative visited the House of Orphans. She met the children and conveyed them note-books, paints and papers for drawing. Ms Nino Kandareli, Director of the House highly appreciated such a kind attention of the Organization to the needs of Georgian orphans, saying that in this way FAO does huge advocacy of its activities and ignites hope in the heart of these children who are a part of the country’s successful future and who are supposed to play an integral role in developing intercultural dialogue through being hopefully engaged in agriculture – which is a traditional pillar of the Georgian economy.

HUNGARY

The World Food Day in Hungary was organized in close collaboration with and support of the FAO Sub-regional Office for Central and Eastern Europe in Budapest, by the Hungarian FAO National Committee, Ministry of Agriculture and Rural Development and the National Institute for Food Safety and Nutrition. All events were followed by the Hungarian mass media.

MOLDOVA

Scientific workshop, 14th October, Chisinau Theme: "Agriculture and the Moldavian Village as main actors for the food safety/security of the country"

The Republic of Moldova celebrated the World Food Day on 14 October in the premises of the Ministry of Agriculture and Food Industry. After that there was a reception where this year harvest was represented by various dishes. Mass media followed the event.

Representatives of the agricultural and food sector gathered in order to discuss the theme "Agriculture and the Moldavian Village - main actors for food security/safety of the country".

Representatives of the Government, donors (CNFA, EC Food Security Programme, IFAD), Ministry of Agriculture and Food Industry, heads of the agricultural rayonal sections (Anenii-Noi, Cahul), president of rayon Ialoveni, representatives of the agricultural union and corporation and agencies, investment projects, agricultural economic agents were present, as well as H.E. the Ambassador of the USA to Moldova.

Following the Agenda, the celebration was officially opened by Mr. Anatolie Gorodenco, Minister for Agriculture and Food Industry of the Republic of Moldova. In his introductory speech, Mr. Gorodenco referred to the poverty and malnutrition as the main problems which FAO addressed and paid special attention starting with the World Food Summit in 1996, when a Plan of actions to fight these problems was approved.

In present times, in accordance with the Millennium Development Goals too, the Government of the Republic of Moldova, and, of course, the Ministry for Agriculture and Food Industry, takes measures in order to fight rural poverty and malnutrition. Further, Mr. Gorodenco expressed his appreciation to Food and Agriculture Organization of the United Nations for its assistance and support during the past decade. Various projects financed by FAO helped the Moldavian Government to create optimal conditions for poverty reduction in the country and to assure country's food security/safety. Further, Mr. Minister expressed the Government's gratitude to

Ms Maria Kadlecikova, FAO Regional Representative for Central and Eastern Europe, FAO Representative in the Republic of Moldova for the support and active collaboration in order to assure a direct communication and a fruitful cooperation of the country with the FAO.

The presentation of Ms. Anna Volneanschi, Deputy Director of the National Scientific and Practical Center for Preventive Medicine was based on the following theme “Food safety of the country – problems and achievements”. Ms Voleanschi raised very important issues related to the significance of the food safety products for the human health, food safety and legal framework for the food safety.

Mr. Mihail Penicov, Director of the Republican Concern for Water Management “Apele Moldovei”, followed by Mr. Tudor Popovici, Deputy Director of the same institution, had presentations about the successes in implementations of the FAO TCP Project “Assistance in Piloting Small-Scale Modern On-Farm Irrigation Technologies”.

The official part of the celebration was closed by a presentation of Ms Tatiana Pavliuc, Director of the LTD “Plaiul Barladean”, who raised various issues related to problems and successes in the agricultural activities of the Moldavian peasants.

Finally, Mr. Minister Anatolie Gorodenco made a wrap-up of the presentations and expressed his appreciation to FAO for the opportunity to organize for the first time in Moldova such an important event and also to the guests for their personal contributions to reduce the poverty and malnutrition in Moldova.

FAO medals

WFD FAO medals were handed to experts in Moldova.

Mr Bruno Pouezat, continued the opening of the WFD celebration by having a short presentation of the message of the FAO Director/General for World Food Day /TeleFood on “Agriculture and intercultural dialogue”. Further, Mr. Pouezat handed over 5 FAO medals to the following people:

Ms. Tatiana Pavliuc, Director, LTD “Plaiul Barladean” (owner of 1360 hectares of arable land);

Mr. Anatolie Calasnic, Senior engineer of the Institute for Projection of Water Management Systems “Acvaproiect”;

Simion Papuc, Director, LTD “Agro SAVVA” (owner of 400 hectares of arable land);

Ion Chilianu, Director “Codru-ST”;

Iurie Tiulei, Head of the Joint-stock company “Nistru”.

These people made a very important contribution to the development of the national agricultural sector, through their day-by-day fruitful activity in view of agricultural development of the country.

Artistic performance (students of the State Agrarian University)

The official part of the celebration was followed by a small concert by the students of the Agricultural State University. Songs and dances performed demonstrated the high abilities of the Moldavian peasants not only to do agriculture but also to enjoy good harvests.

SERBIA AND MONTENEGRO

Serbia Celebrates World Food Day with a Host of Food, Nutrition and health related activities “Month of Healthy Nutrition Promotion - October 2005”. Serbia in cooperation with FAO SEUR and 24 Public health institutes under the patronage of Ministry of Health and Education celebrated World Food Day 2005 with a host of food, nutrition and health-related activities in 23 regions on a regional and finally on the national level. October is Serbia's national month for healthy nutrition promotion, so aside from the WFD theme, Agriculture and Intercultural dialogue, the celebration also included other topics such as: food security, poverty, food safety, nutrition, hunger, nutrition promotion, fruit and vegetable for our health, physical activity, and obesity. Around the central competition, on 16 October in almost all of the regions organized exhibitions of the best children’s art and literature work, some theatrical performances about nutrition, concerts and quizzes about healthy nutrition and education of the population especially children from elementary and secondary schools. Awards were given to the children who produce the best works on regional and national level. Children made works on the WFD theme and “Fruit and vegetable for our health”. There were more than 10.000 children art and literature works from the whole country.

National Celebration of WFD in Serbia

Institute of Public Health, Dr Milan Jovanovic Butut, Belgrade with regional institutes under patronage of Ministry of Health and Education, 15th November 2005
