

# TROPICAL ANIMAL PRODUCTION

## CONTENTS OF VOLUME 10 No. 1 1985

- Rios G & Riley Judith A *Preliminary studies on the utilization of the natural vegetation in the henequen zone of Yucatan for the production of goats I. Selection and nutritive value of native plants* 1
- Rios G & Riley Judith A *Preliminary studies on the utilization of the natural vegetation in the henequen zone of Yucatan for the production of goats II. The effect of supplementation with protein and/or energy* ..... 11
- Mosi A K & Butterworth M H *The voluntary intake and digestibility of diets containing different proportions of Tef (Eragrostis tef) s straw and Trifolium tembense hay when fed to sheep* ..... 19
- Rodríguez A, Riley Judith A & Thorpe W *Animal performance and physiological disturbances in sheep fed diets based on ensiled sisal pulp (Agave fourcroydes) I. The effect of supplementation with protein, forage and minerals* ..... 23
- Rodríguez A, Riley J A & Thorpe W *Animal performance and physiological disturbances in sheep fed diets based on ensiled sisal pulp (Agave fourcroydes) II. The effect of forage source and removal of short fibres* ..... 32
- Tagendjaja B, Lowry J B & Wills R B *Degradation of mimosine and 3-hydroxy-4(1H)-pyridone (DHP) by Indonesian goats* ..... 39
- Wanapat M, Prasertsuk S & Chantai S *Effects of ensiling rice straw with urea and supplementing with dried cassava leaves on digestion by water buffaloes* ..... 44
- Wanapat M, Sriwattanasombat S & Chantai S *The utilization of diets containing untreated rice straw, urea-ammonia treated rice straw and water hyacinth (Eichhornia crassipes, Mart)* ..... 50
- Escobar A, Parra O de & Parra R *Effect of alkali treatment on the in vitro digestibility and chemical composition of fibrous agricultural residues* ..... 58
- Tergas L E & Urrea G A *Effect of fertilization on the yield and*
