-> RURAL KELANTAN WOMEN SUSTAINABLY
LIVING IN HARMONY WITH THEIR
ENVIRONMENT

-> INCREASING BIODIVERSITY BASED
SUSTAINABLE OPPORTUNITIES FOR SINGLE
MOTHERS IN KELANTAN FOCUSING ON
MEDICINAL HERBS & PLANTS

OBJECTIVES

- Creation of sustainable livelihood avenues among poor and rural single mothers in Kelantan, focusing on essential oils extracted from medicinal herbs and plants
- Demonstrating sustainable livelihood options and opportunities based on essential oils while conserving and sustainably using biodiversity
- Marketing and commercializing of the products proposed project locally and nationally
- Increasing awareness on significance of indigenous medicinal herbs and plants and their relevance
- Enhancing awareness on the importance of thinking globally and acting locally
