

Disclaimer CD-ROMs

FAO declines all responsibility for errors or deficiencies in the database or software or in the documentation accompanying it, for program maintenance and upgrading as well as for any damage that may arise from them. FAO also declines any responsibility for updating the data and assumes no responsibility for errors and omissions in the data provided. Users are, however, kindly asked to report any errors or deficiencies in this product to FAO.

Standard disclaimer

The designations employed and the presentation of material in this information product do not imply the expression of any opinion whatsoever on the part of the Food and Agriculture Organization of the United Nations concerning the legal or development status of any country, territory, city or area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

Views of the author

The views expressed in this publication are those of the author(s) and do not necessarily reflect the views of the Food and Agriculture Organization of the United Nations.

Copyright clause

FAO holds copyright on all its publications in all media unless otherwise stated. However, FAO offers its information essentially for the benefit of people and organizations interested in its efforts to combat hunger in the world and actively encourages the re-use of FAO material, particularly for educational and non-commercial purposes.
