

Dear Participant,

Thank you very much for your interest in BEFS project. Kindly fill in this simple questionnaire to help us to understand the bioenergy development in your country and provide elements to identify where we can support you or whether potential collaboration or specific interest could be addressed in our work. It would be greatly appreciated if you could return the completed questionnaire to a member of the FAO BEFS team before the BEFS Regional Policy Dialogue on June 16, 2010.
