

# Global Forum on Agricultural Research

A stakeholder-led initiative that serves as a neutral platform for discussion and action on strategic issues in agricultural research for development (ARD)

## Who we are

## What we do

- ▶ Facilitate the engagement of all stakeholders in ARD processes
- ▶ Promote and forge effective South-South and North-South collaborations
- ▶ Encourage the sharing and utilization of information and knowledge among ARD stakeholders
- ▶ Foster cost effective partnerships to address ARD stakeholders priorities
- ▶ Draw attention to existing and emerging ARD issues of concern to the global community
