The designations employed and the presentation of material in this document do not imply the expression of any opinion whatsoever on the part of FAO, concerning the legal status of any country, territory, city or area or of its authorities or concerning the delimitation of frontiers or boundaries. The designations "developed" and "developing economies" are intended for statistical convenience and do not necessarily express a judgement about the stage reached by a particular country or area in the development process.

Les appellations employées dans ce document et la présentation des données qui y figurent n'impliquent, de la part de la FAO, aucune prise de position quant au statut juridique des pays, territoires, villes ou zones, ou de leurs autorités, ou quant au tracé de leurs frontières ou limites. Les expressions "pays développés" et "pays en développement" sont utilisées pour des raisons de commodité statistique et n'expriment pas nécessairement un jugement quant au niveau de développement atteint par tel ou tel pays ou région.

Las denominaciones empleadas en este documento y la forma en que aparecen presentados los datos que contiene no implican, por parte de la FAO, juicio alguno sobre la condición jurídica de ninguno de los países, territorios, ciudades o zonas, o de sus autoridades, ni respecto de la delimitación de sus fronteras o límites. Las definiciones de economías "desarrolladas" y "en desarrollo" se usan para fines estadísticos y no representan un juicio acerca del nivel alcanzado en el proceso de desarrollo por un país o área determinados.
