

**HARMONIZED GUIDELINES FOR INTERNAL QUALITY CONTROL IN ANALYTICAL
CHEMISTRY LABORATORIES**

CAC/GL 65-1997

The following Guidelines were adopted by the Codex Alimentarius Commission by reference for quality assurance of food control laboratories:

“Harmonized Guidelines for Internal Quality Control in Analytical Chemistry Laboratories”, *Pure & Appl. Chem.*, **67** (1995) 649-666.

Previously included in “Food Control Laboratory Management Recommendations” (CAC/GL 28-1995, revised in 1997).
