## BACKGROUND

1. See [CX/MAS 19/40/6](#).

## REQUEST FOR COMMENTS

2. Codex members and observers are invited to submit comments, through their Contact Points, on the proposed draft revised guidelines as presented in [CX/MAS 19/40/6](#) to facilitate their consideration by CCMAS.
3. Comments should take into account the points raised in paragraph 21 of the report of the EWG (CX/MAS 19/40/6) and should in particular provide general comments on whether the proposed draft revised Guidelines format is appropriate and serves the purpose as intended.
4. Comments should be submitted in writing in conformity with the Uniform Procedure for the Elaboration of Codex Standards and Related Texts (see Procedural Manual of the Codex Alimentarius Commission). Guidance on submitting comments is attached as an Annex to this Circular Letter.

**Annex****GENERAL GUIDANCE FOR THE PROVISION OF COMMENTS**

In order to facilitate the compilation and prepare a more useful comments' document, Members and Observers, which are not yet doing so, are requested to provide their comments under the following headings:

- (i) General Comments
- (ii) Specific Comments

Specific comments should include a reference to the relevant section and/or paragraph of the document that the comments refer to.

When changes are proposed to specific paragraphs, Members and Observers are requested to provide their proposal for amendments accompanied by the related rationale. New texts should be presented in **underlined/bold font** and deletion in ~~strike through font~~.

In order to facilitate the work of the Secretariats to compile comments, Members and Observers are requested to refrain from using colour font/shading as documents are printed in black and white and from using track change mode, which might be lost when comments are copied / pasted into a consolidated document.

In order to reduce the translation work and save paper, Members and Observers are requested not to reproduce the complete document but only those parts of the texts for which any change and/or amendments is proposed.
