**38th Session of the Codex Committee on Methods of Analysis and Sampling (CCMAS)
May 8-12, 2017
Budapest, Hungary**

To: Codex Contact Points

Dear Participants,

As the new Chair of the Codex Committee on Methods of Analysis and Sampling (CCMAS), I am honoured to invite you to the 38th Session of CCMAS, which is to be held between May 8-12, 2017, at the Danubius Hotel Helia in Budapest.

The opening session will begin at 10:00am on Monday, May 8, 2017 in Room Helia. Registration facilities will be open on Sunday May 7, 2017, from 8:00 and on Monday, May 8, 2017 from 9:00.

The agenda of the 38th session will be interesting with several issues projecting to the coming years of CCMAS. You are encouraged to actively contribute to these items. I'm eager to have fruitful discussions on these issues.

I would like to highlight that two physical working groups will be held on Sunday, May 7, 2017:

- The Physical Working Group on the review and update of CODEX STAN 234-1999 will be held from 9:00 in Room Helia.
- The Physical Working Group on Endorsement of Methods of Analysis and Sampling Plan Provisions in Codex standards will meet at 14:00 at the same venue.

You are cordially invited to the welcome reception which will be held on Monday, May 8, 2017, from 19:00-22:00 in the Jupiter Restaurant of the hotel.

Delegates are kindly requested to bring all the published documents, as no hard copies will be available at the session (except for Conference Room Documents and the draft report).

In case of any questions, please do not hesitate to contact the Codex Contact Point of Hungary, at hu-codexcp@nebih.gov.hu.

I wish you a safe journey and a beautiful spring time in Budapest.

I look forward to meeting you in Budapest.

Yours sincerely,

dr. Maróti Hibbey
Chair of CCMAS
