

SIDE-EVENT ON “THE PARTICIPATION OF THE JMPR IN AN INTERNATIONAL JOINT REVIEW OF A NEW COMPOUND” - ORGANISED BY CANADA, COSTA RICA AND KENYA

The electronic working group (eWG) mandated to identify and assess the benefits, challenges and proposed solutions for the participation of the JMPR in an international joint review of a new compound will host a side-event on **Sunday, April 7th, 2019**, from **13:00-14:00**, in **Room 8+9** of the Studio City Hotel. The side-event is open to all interested Codex members and observer organizations and will work in English only.

The purpose of the side-event is to allow interested delegates to familiarize themselves with the discussion paper's considerations and recommendations in advance of the plenary, and facilitate its consideration in the formal session (Agenda Item 10 - CX/PR 19/51/15). No formal registration is required for the event. For more information, please communicate with hc.codex.canada.sc@canada.ca
