**CONSIDERATION OF DRAFT CODEX STANDARDS AT STEP 7****Item 3(a) Draft Codex Standard for Table Grapes (ALINORM 04/27/35-Appendix III)**

The 11<sup>th</sup> Session of the Committee considered the draft Codex Standard for Table Grapes and agreed on a number of changes.

In recognition of the important agreement reached on the major sections of the draft Standard and in consideration of the ongoing work on maturity requirements and berry sizes, the Committee agreed to retain the draft Codex Standard for Table Grapes at Step 7 pending finalization of Section 2.1.1 concerning maturity requirements and Section 3.1 on the Annex on small-berry varieties so that a complete text could be forwarded to the Codex Alimentarius Commission for final adoption at Step 8.

This decision was taken with the understanding that additional comments would not be requested on the agreed sections so that the next Session of the Committee could focus its discussion on the finalization of maturity requirements and berry sizes (see Item 4(a) below).

**Item 3(b) Draft Codex Standard for Tomatoes (ALINORM 04/27/35-Appendix IV)**

The 11<sup>th</sup> Session of the Committee considered the proposed draft Codex Standard for Tomatoes and agreed on a number of changes. The Committee further agreed to forward the proposed draft Standard to the Codex Alimentarius Commission for preliminary adoption at Step 5. The Commission adopted the proposed draft Codex Standard for Tomatoes at Step 5 and advanced it to Step 6 as proposed by the Committee.

The draft Codex Standard for Tomatoes has been circulated for comments at Step 6 under CL 2004/36-GEN. Comments submitted at Step 6 in response to this Circular Letter are summarized in working document CX/FFV 05/12/6.

**CONSIDERATION OF PROPOSED DRAFT CODEX STANDARDS AND RELATED TEXTS AT STEP 4****Item 4(a) Proposed draft Sections 2.1.1 - Maturity Requirements and 3.1 - Minimum Bunch Weight: Annex on Small-berry Varieties (draft Codex Standard for Table Grapes) (CX/FFV 04/12/7)**

The 11<sup>th</sup> Session of the Committee considered maturity requirements for table grapes (Section 2.1.1) and a list of small-berry varieties of table grapes (Section 3.1 - Minimum Bunch Weight: Annex on Small-berry Varieties).

The Committee recognized that further work was still necessary on both Sections and therefore, it agreed to reconvene the drafting group under the direction of Chile to develop maturity requirements for table grapes and a list of small-berry varieties of table grapes. The Committee also recommended that the UN/ECE List of Small-berry Varieties be taken as a basis for the development of a similar list. The proposal of the drafting group would be then circulated for comments at Step 3 and consideration by the next Session of the Committee.

The revised proposed draft Sections 2.1.1 - Maturity Requirements and 3.1 - Minimum Bunch Weight: Annex on Small-berry Varieties of the *draft Codex Standard for Table Grapes* is being circulated for comments at Step 3 under CX/FFV 04/12/7. Comments submitted at Step 3 are summarized in working document CX/FFV 04/12/7-Add.1.

**Item 4(b) Proposed draft Codex Standard for Apples (CX/FFV 04/12/8)**

The 11<sup>th</sup> Session of the Committee made some general and specific comments on the proposed draft Codex Standard for Apples. However, in view of time constraints, the Committee suspended the consideration of the document and consequently, it returned the proposed draft Standard to Step 2 while reconvening the drafting group under the direction of the United States of America to revise the text on the basis of the discussion held and the written comments submitted at that Session as well as in light of the developments in the UN/ECE Standard for Apples for circulation, additional comments at Step 3 and further consideration at its next Session.

The proposed draft Codex Standard for Apples is being circulated for comments at Step 3 under CX/FFV 04/12/8. Comments submitted at Step 3 are summarized in working document CX/FFV 04/12/8-Add.1.

- Item 4(d) Proposed draft Codex Standard for Rambutan (CX/FFV 05/12/10)**
- The 11<sup>th</sup> Session of the Committee considered the proposed draft Codex Standard for Rambutan and agreed on a number of changes. However, in view of the difficulties to reach consensus on certain sections, the Committee agreed to return the document to Step 3 for circulation and comments. It further agreed that a drafting group under the direction of Thailand would revise the text on the basis of the discussion held, written comments submitted at that Session as well as additional comments requested at Step 3. The proposal of the drafting group would be then circulated for additional comments at Step 3 and consideration by the next Session of the Committee.
- The proposed draft Codex Standard for Rambutan is being circulated for comments at Step 3 under CX/FFV 05/12/10. Comments submitted at Step 3 are summarized in working document CX/FFV 05/12/10-Add.1.
