JOINT FAO/WHO FOOD STANDARDS PROGRAMME

CODEX ALIMENTARIUS COMMISSION

Thirtieth Session

FAO Headquarters, Rome (Italy), 2 - 7 July 2007

INTERNATIONAL NON-GOVERNMENTAL ORGANIZATIONS IN OBSERVER STATUS WITH THE CODEX ALIMENTARIUS COMMISSION (Report by the Secretariat)

1. The Principles Concerning the Participation of International Nongovernmental Organizations in the Work of the Codex Alimentarius Commission require the Secretariat to “report to the Codex Alimentarius Commission on the relations between the Codex Alimentarius Commission and international non-governmental organizations established in accordance with the present Procedures and shall provide a list of organizations granted Observer Status, with an indication of the membership that they represent”.
2. The report of the Secretariat is attached in the following form:
 - A list of international non-governmental organizations currently in “Observer Status” with the Codex Alimentarius Commission (Annex 1); and
 - A list of international non-governmental organizations whose status has been changed since the Commission’s 29th Session, including all applications for “Observer Status” considered since the Commission’s 29th Session (Annex 2).
3. This report is submitted to the Commission for information.

**LIST OF INTERNATIONAL NON-GOVERNMENTAL ORGANIZATIONS CURRENTLY IN
“OBSERVER STATUS” WITH THE CODEX ALIMENTARIUS COMMISSION
(in alphabetical order of acronyms)**

NGO in Observer status

Nature of Membership:

The overall objective of IOFI is to represent and promote
the interests of the flavour industry worldwide. IOFI's key
priority is to help governmental bodies on all matters
associated with the safety of flavourings. It collects and
distributes information on flavouring legislation to its
members and other interested bodies. IOFI develops and
implements a code of practice with the final objective to
protect the consumer.

FRANCE
Phone: +33 4 50 40 75 75
Fax: +33 4 50 40 59 37
Internet: <http://www.wma.net>
NGO in Official Status with WHO
Nature of Membership:

Constituent Membership - This category of members is typically represented by National Associations of Physicians from different countries in the world (sometimes these organizations are called National Medical Associations). Such associations are broadly representative of the physicians of their country by virtue of their membership, with their voting membership being limited to physicians and medical students. They are not subject to, or controlled by, any office or agency of government. Associate Membership - Individual physicians can join the WMA as Associate Members, with voting rights at the Annual Associate Members Meeting and the right to participate in the General Assembly through the chosen representatives of the Associate Members.
