Consideration of Proposed Draft Standards and Related Texts at Step 5

2. The Executive Committee is invited to consider advancing the texts listed in the attached Table to Step 6 of the Uniform Procedure for the Elaboration of Codex Standards and Related Texts. Comments received in relation to these texts will be reproduced in an Addendum to the present document. In view of the short period of time between the meetings of some of the Codex Committees and the meeting of the Executive Committee it may not be possible to consider some of these texts in the light of comments received. In such cases, the Executive Committee may wish to recommend that comments be requested with a view to recommending the submission of the texts to the Commission at Steps 5 and 8 with the omission of Steps 6 and 7.
