Comments at Step 3 submitted by European Community

EUROPEAN COMMUNITY

The European Community and its Member States (ECMS) continue to support the elaboration of the Code of practice.

The ECMS note that this Code is already under discussed for 5 years and is of the opinion that it of major importance that progress is made on the development of this Code and therefore CCFAC should decide at the 38th session to submit the draft Code of practice to Codex Alimentarius Commission for adoption at Step 5.
