

February 2017

Invitation to Workshop in conjunction with the 11th session of Codex Committee on Contaminants in Foods

Rio de Janeiro, Brazil, 2 April 2017

Communication from New Zealand

Workshop on principles and concepts for an internationally harmonised approach to evaluation and management of very low levels of chemicals in foods where they are not covered by existing standards or guidelines

9am to 4pm on Sunday 2 April 2017

Hotel Windsor Marapendi (venue of CCCF meeting)

Rio de Janeiro, Brazil

New Zealand would like to invite those members and observer organisations that are interested in participating in the working group to provide, through their Codex Contact Points, the following details:

Name of Participant(s)

Official title

Country or Observer organization

Email address

The above information should be sent to codexnz@mpi.govt.nz and copied to t.z.j.akesson@minez.nl on or before Friday **3 March 2017**.

The workshop will be conducted in English only. This Invitation, the workshop programme and other relevant documents for the workshop will be available in English only and will be posted on the [Codex meeting webpage](#) ([CCCF11](#)) as soon as they become available.

We look forward to your response.

Raj Rajasekar

Codex Contact Point for New Zealand
