(Comments of Thailand)

Agenda Item 8: CRD 02

Thailand believes the toolkits could be useful for member countries to conduct self-assessment on the level of their interpretation and use of Codex standards. Nevertheless, the scope and details of the toolkits need to be further considered and discussed. Once these are clear, the Committee to be responsible to the development of the toolkits can be clearly identified.

Agenda Item 8: CRD 03

In principle, Thailand does not object the proposal to invite Chairpersons of Codex Subsidiary Bodies as observer to the CCEXEC meetings to provide insightful information and participate in the Codex's work management. Nonetheless, it should be up to the Chairperson of the Commission to decide whether there is a need and thus issues the invitation accordingly.
