

CCFL – FUTURE DIRECTIONS SIDE EVENT

A side event on the “CCFL – FUTURE DIRECTIONS” will be held during the CCFL43. The event will take place on Monday, 9 May 2016 from 16:00 – 17:30 and is open to all member governments and observer organizations.

The purpose of the event is to provide information and to exchange views with respect to the management of work of CCFL, particularly in the context of the Codex Strategic Plan 2014 – 2019. The side event will include a review of the mandate of the CCFL, consideration of major work activities (e.g. addressing matters referred, endorsement of labelling provisions, etc.), review of work that is outside of the CCFL mandate and the identification of emerging issues.

A summary of the views expressed will be prepared and shared with CCFL in the form of a CRD. The side event is not intended to produce any specific recommendations with respect to items on the Committee’s agenda of the 43rd Session. The summary will be one of the planning tools that will be used for the management of the Committee’s future work.

The agenda for the side event is attached.
