KENYA

Matters Arising from the 70th Session of the Executive Committee of the Codex Alimentarius Commission (CCEXEC)³

2. At the 70th Session, the Executive Committee recommended to all Committees to consider the need to develop an approach for the management of their work similar to that used by CCFH (while recognising the differences in topics, working procedures, etc. among various committees)
3. The Committee is invited to **consider** the information.

Kenya proposes a CCFICS working plan referencing to that of CCFH with key areas identified by CCFICS as per its terms of reference.
