## Protecting Your Valuables

**A word of caution.** International cities that attract many tourists also attract those people who steal from tourists. Consequently, delegates are advised to carry their valuables safely, especially on public transport. There might be pickpockets on the street, on the underground and on buses and trams. Once delegates have checked into their hotels, it is advisable to leave important documents such as passports in the hotel safe and to carry a photocopy. Identity cards, keepsakes and anything else not needed in the city are best left at the hotel or place of residence while delegates are sightseeing, shopping or dining out. Delegates should keep photocopies of all these documents in a safe place in case they need to have them replaced.
