## Aid Agencies Workshop

# Education for rural people: Targeting the poor

12-13 December 2002  
FAO Headquarters  
Rome, Italy

---

**The Aid Agencies Workshop "Education for rural people: Targeting the poor" was held in Rome 12-13 December 2002.** The workshop highlighted education for rural people as a crucial element of sustainable development. Multilateral and bilateral aid agencies met at FAO headquarters. The workshop was organized by the Food and Agriculture Organization of the United Nations (FAO) with the technical cooperation of the United Nations Educational Scientific and Cultural Organization (UNESCO) and the financial support of the Italian Development cooperation.
