2013 JOINT FAO/WHO MEETING ON PESTICIDE RESIDUES

Geneva, 17-26 September

WHO Headquarters
Opening September 17th, Salle C (5th floor) 09:30h

Tentative Agenda

1. Opening of the meeting (Dr Kazuaki Miyagishima – Director FOS)
2. Election of the Chairman, Vice-Chairman, and Rapporteurs
3. Adoption of the Agenda
4. Declarations of Interests
5. Matters of interest arising from the 45th Codex Committee on Pesticide Residues
 - a. Feedback about important topics and results
 - b. Response to specific concerns raised by CCPR

Buprofezin (R), Chlorpyrifos-methyl (R), Clothianidin (R), Dicamba (R), Diflubenzuron (T),
Glufosinate ammonium (T), Penthiopyrad (R), Sulfoxaflor (R)

6. Toxicological evaluation and development of Maximum Residue Limits for selected pesticides that have not been evaluated previously:

Bixafen, Benzovindiflupyr (T), Cyantraniliprole, Fenamidone (T), Fluensulfone, Imazapic, Imazapyr, Isoxaflutole, Tolfenpyrad, Triflumizole, Trinexapac

7. Toxicological re-evaluation and development of Maximum Residue Limits for selected pesticides within the periodic review programme:

Bentazone (R), Diquat (T,R), Dithianon (R)

8. Toxicological evaluation and development of additional Maximum Residue Limits for selected pesticides:

Azoxystrobin(R), Chlorantraniliprole(R), Chlorfenapyr(T,R), Cyproconazole(R), Cyprodinil(R), Difenoconazole(R), Fenbuconazole(R), Fenpyroximate(R), Fludioxonil(R), Flutolanil(R), Glufosinate ammonium(T,R), Glyphosate(R), Malathion(R), Mandipropamid(R), Propylene Oxide(T), Propiconazole(R), Pyrimethanil(R), Spirotetramate(R), Triazophos(R)

9. Dietary risk assessment of pesticides on the agenda of this meeting

10. General considerations

- Revision of the guidance document for monographers (WHO): *This topic will be discussed in a special session of the WHO core group after the adoption of the report.*
- Cumulative assessment group methodology: *JMPR comments to the EFSA draft document.*
- Principles for assessing the performance of analytical methods based on few tests (FAO)
- Systematic application of the Global GAP principles. (FAO)

11. Other matters

12. Adoption of the report
