Twitter #CFS43

# Role of the Government

## National

- SDGs integration in agricultural policy
- Traditional system of vertical and increasingly horizontal cooperation

## International

- Ensure cross-sectoral coherence in foreign affairs
- New framework credit 2017-2020 for Swiss international cooperation with the 2030 Agenda as the frame of reference
- Foster integration of SDGs in work programmes of international bodies

# Role of the Government

## National

- Swiss National FAO Committee

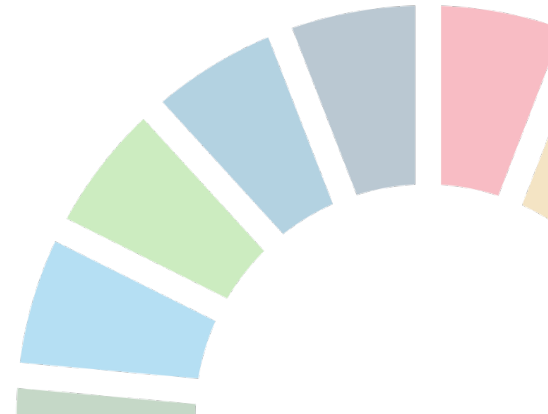

## International

- Importance of inclusive multistakeholder partnerships in Swiss international cooperation
- 10 YFP Sustainable Food Systems Programme

- Other multistakeholder partnerships

# Means of implementation

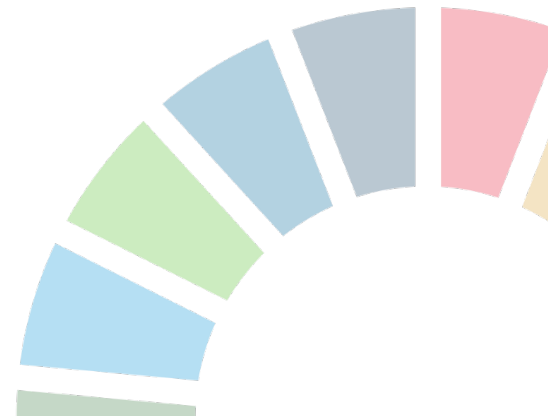

## Finance

- Ordinary budgets
- Pooling of funds from different sources

## CFS

- Products
- Events

# Conclusions

- Agriculture is a part of the solution
- Cross-sectoral and multistakeholder collaboration is essential
- Create synergies among existing programmes and innovative funding mechanisms
