Gender, Food Security and Nutrition

*EU Policy framework to
address gender, food security
and nutrition challenges*

Jean-Pierre HALKIN

EU Policy framework to address gender, food security and nutrition challenges

- A new Policy Framework
- Translating policies into tangible results
- Measuring and increasing impact

A new policy framework

EU Policy framework to address gender, food security and nutrition challenges

- Communication on Gender Equality in Development Cooperation
- Communication on Addressing Food Security Challenges
- Communication on Humanitarian Food Assistance

Translating policies into tangible results

Action Plans

- **Adoption of an EU Plan of Action on Gender Equality and Women's Empowerment in Development 2010-2015**
- **Development of a Food Security and Nutrition Implementation Plan**
- **Development of operational guidance on nutrition**

Measuring and increase impact

- **‘An Agenda for Change’**: Strengthened focus on measuring and efficiency impact in all aspects of development, including gender equality, food security and nutrition
- **Next steps: 2012 Multi-Annual Framework (external aid budget)**
