## Multistakeholder Negotiations

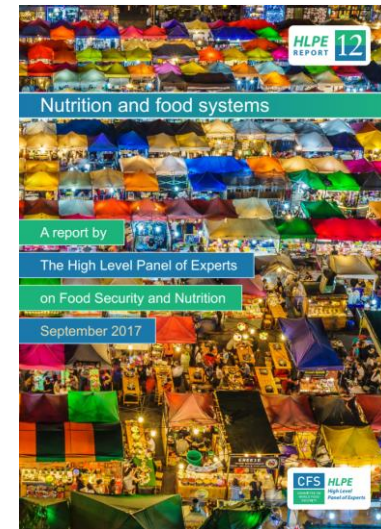

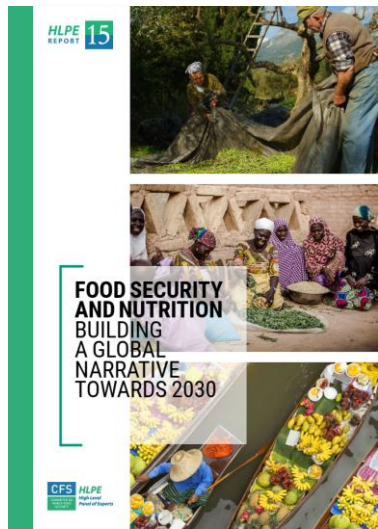

# High-Level Panel of Experts on Food Security and Nutrition (CFS-HLPE)

- HLPE is the **Science-policy interface** of the UN Committee on World Food Security (CFS)
- Created, appointed, mandated by the CFS but working independently
- The HLPE has to address the **multidisciplinary complexity of food security and nutrition**
- Demand-driven, tight agenda, present status of knowledge

# Science-based evidence

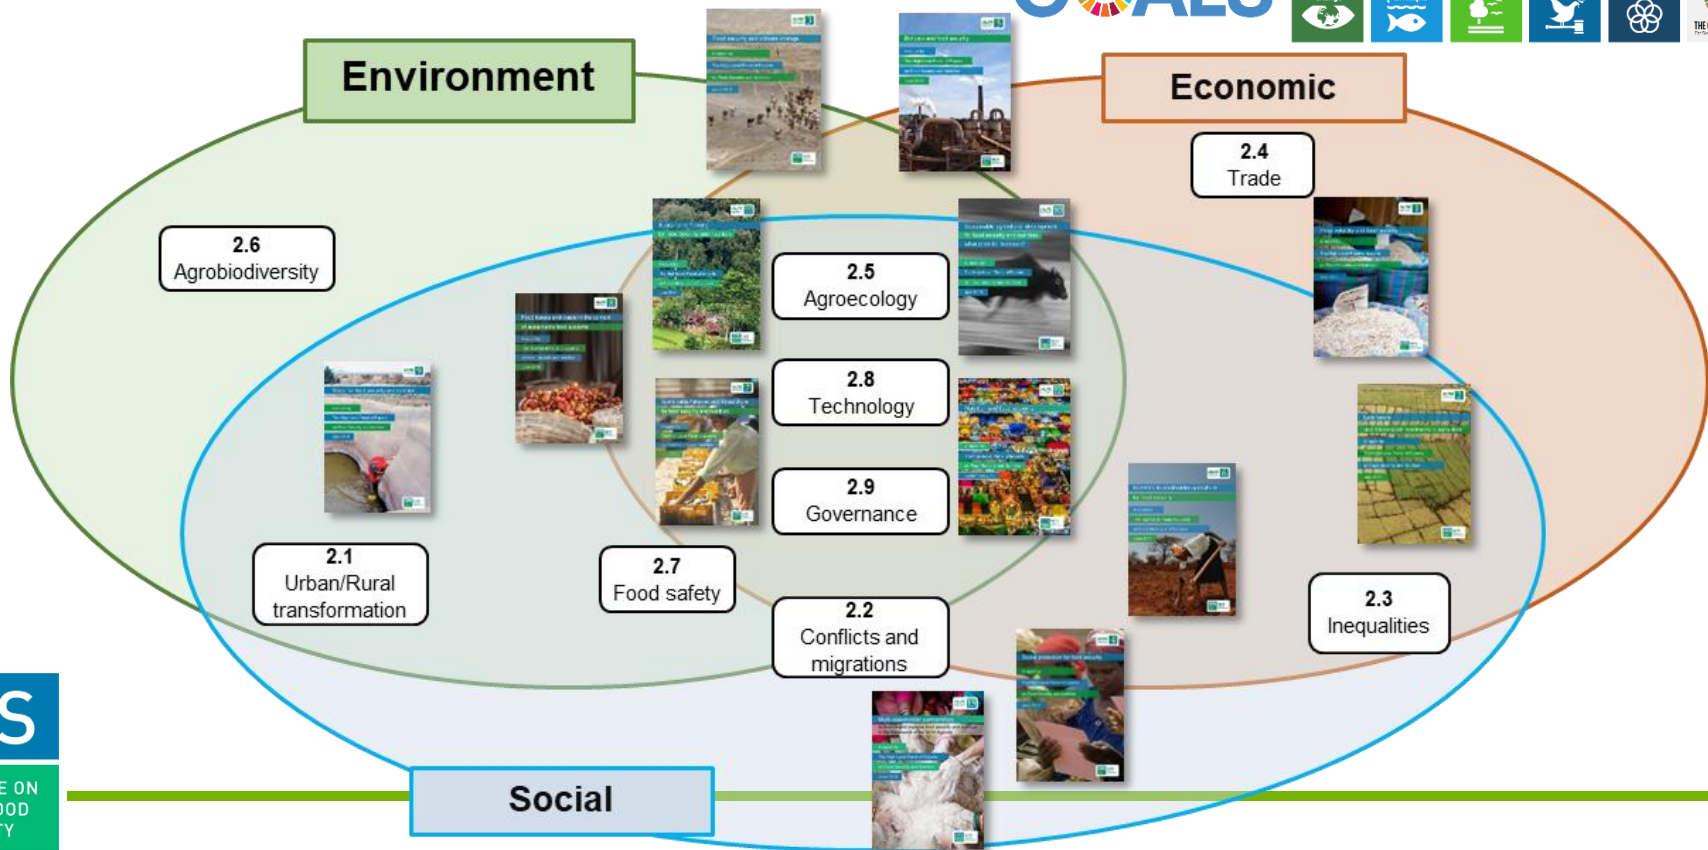

Since 2011, the High-Level Panel of Experts (CFS-HLPE) has issued 15 reports and 2 notes on critical and emerging issues. In 2020, it also released 2 issues papers on the impact of the COVID-19 pandemic.

# CLIMATE CHANGE AND OUR FOOD SYSTEM

# Use of CFS products at the country level and at the UN Food Systems Summit

- ✓ How to adapt and integrate to the national policy?
- ✓ How to implement at the country level?
- ✓ Who can help us promote the uptake and implementation?
- ✓ What are the outcomes and impacts?

We are a problem or

We are a solution?

Thank you!
