| Village of fishery association | | | | | | | |
| | | | | | | | |

V. Village Communities and Waste Disposal

14 Village community activities

Please mark all community activities promoted by the administrative Ri regularly for the cohesion of residents.

- Recreating village (mural painting, pavilion installation, flower path making, river maintenance, etc.)
- ② Village banquet and sports event
- ③ Volunteer service for the socially disadvantaged group
- ④ Regular community meal service
- ⑤ Community leisure including club activities (pungmul play, sports, travel, etc.)
- ⁽⁶⁾ Other community activities
- ⑦ No community activities

15 Waste disposal

What is the main method of disposing waste discharged by residents?

- \cdot Mark \checkmark on disposal method by waste type.
- \cdot When food waste is used as compost, mark \checkmark on "Other."
- Agriculture, forestry and fisheries-related waste: unrecyclable waste such as plastic wastes, agricultural chemical containers, waste nets

| | Disposal method | | | | | |
|---|---------------------|----------|--------------|-------|--|--|
| Waste type | Separate collection | Landfill | Incineration | Other | | |
| Food waste | 1 | 2 | 3 | 4 | | |
| Household waste | 1 | 2 | 3 | 4 | | |
| Agriculture, forestry and fisheries-related waste | 1 | 2 | 3 | 4 | | |
