CLOSING DATE: 15 October 2018 12:00pm GMT+1

The Food and Agriculture Organization of the United Nations (FAO) is a specialized agency of the United Nations with more than 190 member countries. Since its inception, FAO has worked to improve nutrition, increase agricultural productivity, raise the standard of living in rural populations and contribute to global economic growth. Achieving food security for all is at the heart of FAO's efforts – to make sure people have regular access to enough high-quality food to lead active, healthy lives.

To achieve its goals, FAO cooperates with thousands of partners worldwide, from farmers’ groups to traders, from non-governmental organizations to other UN agencies, from development banks to agribusiness firms (further and more detailed information on FAO can be found on the internet site: http://www.fao.org).

In preparing your bid, you should take into account the international status and humanitarian goals of FAO by submitting your best commercial terms. You should also be aware that FAO enjoys certain privileges and immunities which include exemption from payment of Value Added Tax ("VAT"), customs duties and importation restrictions.

Your Bid shall be based on all requirements included in this Invitation to Bid including:

- **Appendix I** – Technical Specifications and Compliance Format
- **Appendix II** – Financial offer and Location wise quantities.
- **Appendix III** – Bid Submission Letter
- **Appendix IV** – FAO General Terms and Conditions for Goods

and must adhere to the General Bid Requirements and the Special Requirements and Conditions specified below:

**General Bid Requirements:**

1. **Contact information:** Full name, UNGM number, address, fax and telephone numbers of your company and contact persons.
2. Supplier's acceptance of the "FAO General Terms and Conditions for Goods" (enclosed, Appendix IV). Note that FAO cannot issue a Purchase Order in the absence of a Supplier's acceptance of these Terms and Conditions.

3. Payment Terms: FAO effects payment through normal banking channels, within 30 days against invoice and shipping documents, and subject to receipt of satisfactory inspection report, if required, and acceptance of goods. FAO will, however, pay only for the goods actually accepted at final destination after inspection at unloading point(s) either by an independent inspection company or by an authorized FAO official and deduction of actual and/or liquidated damages for late delivery and/or quality deviations, if any. Letters of credit and advance payments cannot be provided.

4. Please note that the Organization will make payment to the bank account indicated by the selected supplier in its invoice, provided that the bank account is in the name of the supplier and located in the country of residence of the supplier. Any request for payment to a bank account other than that of the supplier or to a bank other than one located in the supplier's country of residence must be specified in the offer, together with the reasons for such deviation from standard payment terms; the Organization will not be in a position to consider the request should this information be provided after the closing date of the tender. Successful bidders can register to submit invoices in PDF format via e-mail by contacting AP-Invoices@fao.org.

5. Acceptance of FAO's Bid Requirements including Technical Specifications (Appendix III). If your bid is not compliant with any of these requirements, such non-compliance must be clearly identified in your offer (and details provided in Appendix III: Bid Submission Letter). If no mention to this effect is contained in your offer, FAO will assume that all requirements included in this invitation to Bid are accepted by the supplier. Suppliers must in any case complete the technical specifications form.

6. Insurance and Freight Costs: To be arranged by supplier. The supplier will determine the appropriate type and amount of insurance coverage to address its risks up to delivery at final destination. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.

7. Prices: Your unit prices, air/land/surface freight charges, insurance cost and total price shall be quoted separately for delivery to the destination(s) specified above on DAT basis in accordance with Incoterms 2010. FAO will pay only for the goods actually accepted at final destination after inspection at unloading point(s) and deduction of actual damages and/or liquidated damages for late delivery and/or quality deviations, if any.

8. Delivery Time: Goods are to be delivered on site within 2 weeks of receipt of Purchase Order. Suppliers are requested to quote their best delivery time in calendar days/weeks following receipt of eventual Purchase Order. Suppliers are therefore requested to quote their best delivery time in calendar days/weeks following receipt of eventual Purchase Order; as necessary, a schedule of delivery times and associated prices may be offered (e.g. later delivery time at a lower cost). FAO reserves the right to consider offers for delivery beyond the preferred delivery date if the offered delivery date still meets FAO requirements.

9. PO Terms: Depending on the Incoterms basis on which FAO decides to procure the goods DAT, the relevant contract (Purchase Order) will also be in compliance with those Incoterms.

10. Validity: Bids must remain valid with firm and fixed prices for 60 days after Tender Closing Date.

11. Country of Origin: The origin of the goods is to be indicated by the supplier.

12. Sanctionable Actions:
(a) The Supplier agrees to refrain from engaging in Sanctionable Actions, which are defined as follows:
• "Corrupt practice" or "corruption" means the offering, giving, receiving or soliciting, directly or indirectly, of anything of value whether tangible or intangible to improperly influence the actions of another party;
• "Fraudulent practice" or "fraud" means any act or omission, including misrepresentation that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial and/or other benefit and/or to avoid an obligation;
• "Collusive practice" is an arrangement between two or more parties designed to achieve an improper purpose, including influencing improperly the actions of another party;
• "Coercive practice" is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
• "Unethical practice" is any act or omission contrary to the conflict of interest, gifts and hospitality or post-employment FAO policy (see http://www.fao.org/unfao/procurement/codedefontudeethique/en/),
as well as any provisions or other published requirements of doing business with the Organization, including the UN Supplier Code of Conduct (http://www.un.org/depts/ptd/pdf/conduct_english.pdf); and

- "Obstructive practice" is an act or omission by a Third Party that may prevent or hinder the work of the Investigation Unit of the FAO Office of the Inspector General.

(b) If FAO determines that a bidder or supplier has engaged in a Sanctionable Action, FAO will impose sanctions in accordance with the prevailing Sanctions Procedures: http://www.fao.org/fileadmin/user_upload/procurement/docs/FAO_Vendors_Sanctions_Policy_-_Procedures.pdf. In addition, FAO may share information on sanctioned vendors with other Intergovernmental or UN Organizations.

(c) FAO may reject an offer for award if it determines that the bidder recommended for award, or any of its personnel, or its agents, or its sub-consultants, sub-contractors, service providers, suppliers and/or their employees, has, directly or indirectly, engaged in a Sanctionable Action in competing for the contract in question.

13. Disclosure of Sanctions or Temporary Suspension: The Bidder and its affiliates, agents and subcontractors should not be suspended, debarred, or otherwise identified as ineligible by any Intergovernmental or UN Organization, including any organization within the World Bank Group or any other multi-lateral development bank, or by the institutions and bodies of economic integration organizations (e.g., the European Union). You are therefore required to disclose to FAO whether your company or any of its affiliates, agents or subcontractors is subject to any sanction or temporary suspension imposed by any such organization or National Authority at any time during the three years prior to this Contract or at any time throughout the execution of this Contract. You acknowledge that a breach of this provision will entitle FAO to terminate its Contract with your firm and that material misrepresentations on your status constitute a fraudulent practice.

14. UN Security Council Sanctions: The Bidder must certify that it is not associated, directly or indirectly, with entities or individuals (i) that are associated with terrorism, as in the list maintained by the Security Council Committee established pursuant to its Resolutions 1267 (1999) and 189 (2011), or (ii) that are the subject of sanctions or other enforcement measures promulgated by the United Nations Security Council. Selected bidders also agree to undertake all reasonable efforts to ensure that none of the funds received from FAO under the awarded contract are used to provide support to individuals or entities associated with terrorism or that are the subject of Security Council sanctions. This provision must be included in any subcontracts, sub-agreements or assignments entered into under the awarded contract. The bidder acknowledges and agrees that this provision is an essential term of the awarded contract and any breach of these obligations and warranties shall entitle FAO to terminate the Contract immediately upon notice to the Contractor, without any liability for termination charges or any liability of any kind of FAO.

Special Requirements and Conditions:
1. FAO reserves the right at its discretion to cancel this solicitation process if and when deemed necessary without any obligation to bidders; vendors will be informed accordingly.
2. FAO reserves the right to adjust the required quantities and to make partial awards if deemed necessary and/or appropriate.
3. Partial offers of requested lots, if applicable, are NOT acceptable. However, partial offers are acceptable if goods are not requested to be delivered in lots.
4. Arithmetical errors and discrepancies on the Financial Offer:
   - If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price will prevail and the total price will be corrected, unless in the opinion of evaluators, there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted will govern and the unit price will be corrected.
   - If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals will prevail and the total will be corrected.
   - In case of discrepancy between a word and figures, the amount in words will prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures will prevail subject to the note above.
5. Samples: If samples of goods are required as part of the evaluation, as specified in the Technical Specifications (Appendix 1), such samples are to be provided free of charge and are unusually not returnable.

6. Inspection: In the event of an order, inspection on quantity, compliance with technical specifications (quality), packing and marking may be arranged at loading/unloading by an independent superintending agency at FAO expense.

7. Liquidated/Actual Damages: At FAO’s discretion, damages may be applied to payments to be made in connection with any order as follows:
   - Inferior Quality: FAO, at its sole discretion, reserves the right to either reject any delivery that does not comply with the technical specifications or to accept such delivery and apply actual or liquidated damages to be determined by FAO;
   - Late Delivery: In the event of late delivery, liquidated damages will be applied at a rate of 2.5% of the value of the goods per week of delay. The liquidated damages applied for late delivery will not exceed 10% of the total order value.

8. Bidders are requested to complete FAO’s “TECHNICAL SPECIFICATIONS AND COMPLIANCE FORMAT” (Appendix 1) and submit it as an essential element of the offer.

9. Right to Publish Contract Award: In responding to our tender invitation and accepting the FAO General Terms and Conditions you hereby authorize FAO to publish the details of any contractual relationship it enters into with you, including, but not limited to, the supplier’s name and address, value of the award and a description of the goods or services.

10. Bids received from uninvited companies will be rejected unless the uninvited bidder provides a statement on how the FAO invitation to bid was obtained. Such statement must be confirmed in writing by the originally invited company.
