# Launch of the Regional Soil Laboratory Network for Europe and Eurasia

Chişinău, Moldova | 2–5 October

The **State University of Moldova** (Chişinău, Moldova) will host the launch of the Regional Soil Laboratory Network for Europe and Eurasia (EUROSOLAN).

The **objectives** of the meeting are to

- ◇ **establish the Regional Soil Laboratory Network** for Europe and Eurasia;
- ◇ **agree on the activities** to implement in the region in 2019 as per the work plan of the Global Soil Laboratory Network (GLOSOLAN); and
- ◇ **collect regional inputs** on GLOSOLAN work.
