

Food and Agriculture Organization of the United Nations

Vacancy Announcement No: IRC3629

Issued on: 10 October 2016

Deadline For Application: 23 October 2016

Position Title:	Assistant FAO Representative (Programme)	Grade Level:	N-3
		Duty Station:	Manila, Philippines
Organizational Unit:	FAO Representation in the Philippines, FAPHI	Duration *:	Fixed-Term: 2 years
		Post Number:	0809985
		CCOG Code:	1A02

* The length of appointment for internal FAO candidates will be established in accordance with applicable policies pertaining to the extension of appointments

Qualified female applicants are encouraged to apply.

Persons with disabilities are equally encouraged to apply.

All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities depending on the evolving needs of the Organization.

Organizational Setting

The main aim of the FAO country offices, which are headed by an FAO Representative, is to assist governments to develop policies, programmes and projects to achieve food security and to reduce hunger and malnutrition, to help develop the agricultural, fisheries and forestry sectors, and to use their environmental and natural resources in a sustainable manner.

This post is located at the FAO Representation Office, Manila, Philippines.

Reporting Lines

The Assistant FAO Representative (Programme) reports to the FAO Representative (FAOR).

Technical Focus

Programme development and management, coordination and operational support based on the knowledge of the local conditions, culture, language and institutions of the country of assignment.

Key Results

Effective and efficient management and coordination of the technical and operational support of the programme and project activities of the FAO Representation.

Key Functions

- Advises and liaises with government authorities, local, national and international institutions in the areas of FAO's activities and other UN agencies. Represents FAO at inter-agency meetings;
- Promotes the image of FAO through advocacy of the Organization's mandate, programmes, national priorities and activities including the coordination of development and maintenance of communication tools such as website, press releases and publications; provides FAO's information, knowledge and resources to government, NGOs, the private sector and other local entities on food, nutrition and agriculture situations; and supports the implementation of FAO's regulatory frameworks (Codex Alimentarius, Code of Conduct for Responsible Fisheries, Safe Use of Pesticides, etc.) in the country;
- Coordinates and manages the maintenance of country data on food, crops, livestock, forestry and fisheries including information on external aid in FAO's corporate systems and monitor and communicate changes in national policies affecting the agricultural sector;
- Produces technical, economic and policy studies as required and participates in the development of country level development frameworks such as the Country Programming Framework (CPF) and the United Nations Development Assistance Framework (UNDAF);
- Identifies, formulates and prepares programme and project proposals, monitors and reviews the status of the programme/project implementation to ensure that all operational activities are carried out in line with the work plan and the project document; identifies inconsistencies and delays and submits proposals to the FAOR on how to improve results and increase efficiency;
- Briefs, trains and supervises lower grade level programme staff regarding all aspects of the job. Ensures adherence to procedures and work requirements and accuracy and diligence of the work provided.
- Performs other duties as required

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- National of the country of assignment
- Advanced university degree in agriculture, agricultural economics, forestry, fisheries, or any other field related to the work of the Organization;
- Five years of relevant experience in agricultural development and/or project implementation in an area of FAO's activities in the country.
- Working knowledge (Level C) of English and limited knowledge (Level B) of Filipino

Competencies:

- Results Focus
- Team Work
- Communication
- Building effective relationships
- Knowledge Sharing and Continuous Improvement

Technical/Functional Skills:

- Work experience in more than one location or area of work, particularly in field positions is desirable.
- Extent and relevance of experience in programme/project development and management
- Demonstrated understanding of the purpose and functions of the technical programme, operational guidelines and project/programme management procedures, preferably those adopted by the United Nations or FAO
- Extent and relevance of experience in the field of policy analysis relating to food and nutrition security, agriculture and rural development OR extent and relevance of experience in the collection of country data on food, crops, livestock, forestry and fisheries
- Extent and relevance of experience in the identification, formulation and preparation of programme and project proposals as well as programme/project implementation, monitoring and review

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency*.

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills
- Your application will be screened based on the information provided in your iRecruitment online profile (see "*How to Apply*"). We strongly recommend that you ensure that the information is accurate and complete including employment record, academic qualifications and language skills
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution recognised in the IAU/UNESCO list
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years
- Candidates may be requested to provide performance assessments

REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: http://www.un.org/Depts/OHRM/salaries_allowances/salary.htm

HOW TO APPLY

To apply, visit the iRecruitment website at <http://www.fao.org/employment/irecruitment-access/en/> and complete your online profile. Only applications received through iRecruitment together with letter of motivation attached to the on-line profile, will be considered.
