The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

Organizational Setting

The main aim of the FAO country offices, which are headed by an FAO Representative, is to assist governments to develop policies, programmes and projects to achieve food security and to reduce hunger and malnutrition, to help develop the agricultural, fisheries and forestry sectors, and to use their environmental and natural resources in a sustainable manner.

Food and Nutrition Security Impact, Resilience, Sustainability and Transformation (FIRST) is a FAO and the European Union partnership programme with the purpose of providing a policy assistance mechanism for improved food security and nutrition and sustainable agriculture. FIRST is designed to strengthen the enabling environment for food security and nutrition and sustainable agriculture in a number of selected priority countries. FIRST will be embedded within the FAO's programme management and coordination structure. It will contribute directly to the food security, nutrition and sustainable agriculture policy and governance related results envisioned under FAO Strategic Objectives 1 and 2.

The Policy Officer will work in close collaboration with Government officials and development partners, the EU Delegation to the Republic of Uzbekistan, the relevant FAO Regional/Sub-regional office, and other relevant stakeholders.

Reporting Lines

The Policy Officer (FIRST Programme) reports to the FAO Representative and receives guidance on technical issues from FIRST Manager (FAO HQ).

Technical Focus

Provides leadership, guidance and operational support for results-based policy assistance, governance, capacity development and facilitates policy dialogue around food security, nutrition and sustainable agriculture.

Key Results

Development and implementation of coherent, integrated and effective policy assistance and governance work supporting member states at country level.

Key Functions
