Issued on: 2 June 2017

Deadline For Application: 2 August 2017

<b>ROSTER:</b> INVESTMENT OPERATIONS EXPERTS	<b>TYPE OF CONTRACT:</b> International Consultant
<b>JOB TITLE:</b> Various – see list below	<b>DUTY STATION:</b> Various locations
<b>ORGANIZATIONAL UNIT:</b> INVESTMENT CENTRE DIVISION, TCI	<b>DURATION:</b> Assignments from two to six weeks, on a when-actually-employed basis; and assignments for 11 months when applicable

*FAO seeks gender, geographical and linguistic diversity in its staff and international consultants in order to best serve FAO Members in all regions.*

**Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.**

**Persons with disabilities are equally encouraged to apply.**

**All applications will be treated with the strictest confidence.**

### 1. Organizational Setting

The Investment Centre Division (TCI) promotes investment in food security, nutrition, agriculture and rural development (FSNARD), sustainable natural resource management (NRM) and climate change mitigation and/or adaptation (CCM/A) in developing countries and countries in transition, assisting governments and country stakeholders, main development partners, in particular international financing institutions with the strategic planning and implementation of their investments to achieve growth, poverty alleviation, food security and nutrition goals.

TCI is a multidisciplinary division composed of three regionally focused services, namely Africa Service, Asia and the Pacific Service, and Europe, Central Asia, Near East, North Africa, Latin America and the Caribbean Service, as well as FAO's coordination unit for the Global Environment Facility (GEF).

### FAO International Consultants and Call purpose

The purpose of this call is to provide FAO's Investment Centre Division (TCI) with a list of qualified candidates for a number of profiles with different specializations as indicated below. The contract may be home based with required travel for field missions.

Requested Profiles (or Job Titles):

- Economist – Agricultural Economist
- Agricultural specialist
- Natural Resources and Environmental Management Expert
- Irrigation and Rural Infrastructure Engineer
- Rural Sociologist
- Forestry Expert
- Credit and Rural Finance Expert
- Rural Institutions Expert
- Agribusiness and Value Chain Expert
- Climate Change Expert

### Reporting Lines

The Investment Operations Expert will work under the overall technical supervision of the Service Chief and the direct supervision of a TCI Officer, in close collaboration with the FAO Representation in the relevant country of assignment.

### Technical Focus

Provision of technical advice or expertise and capacity development for (i) the design of investment operations, in collaboration with country stakeholders and cooperating partners, to mobilize resources for FSNARD, NRM, and CCM/A; and (ii) implementation support and evaluation of investment operations, in accordance with the FAO Strategic Framework.

### Specific functions

- Leads, or participates in, multidisciplinary teams to assist governments in the identification and preparation of investment operations in the fields of FSNARD, NRM and CCM/A, and participate in pre-appraisal and appraisal missions.
- Leads, or participates in, multidisciplinary teams for the implementation support and the preparation of final evaluation of investment operations.
- Advises governments, or provides technical expertise, in the preparation of FSNARD, NRM and CCM/A studies and strategies, and in the formulation of national sector and/or sub-sector investment plans and programmes.
- Advises on developing, or supports the development, of inclusive and sustainable food systems, involving producers, their organizations, other private sector actors, civil society organizations and government.
- Leads the formulation, or formulates, and delivers capacity development strategies and activities in the areas of FSNARD, NRM and CCM/A investment support to government staff, and non-state actors and private sector organizations.

- Prepares reports in accordance with government and financing partners' requirements.
- Promotes international cooperation and collaboration leading to new investment opportunities and cooperative agreements, advocates best practices and effective policy dialogue and provides technical expertise at international meetings.
- Perform other related duties as required.

---
