

Issued on: 29 August 2017

Deadline For Application: 12 September 2017

JOB TITLE: Tenure Governance Advisor (VGGT)

TYPE OF CONTRACT: International Consultant

DUTY STATION: Karachi (with travel to Hyderabad), Pakistan

ORGANIZATIONAL UNIT: FAPAK

DURATION: 11 Months (renewable)

FAO seeks gender, geographical and linguistic diversity in its staff and international consultants in order to best serve FAO Members in all regions.

**Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.
Persons with disabilities are equally encouraged to apply.
All applications will be treated with the strictest confidence.**

Organizational Setting

The position is based in Karachi, with travel to Hyderabad. The main aim of the FAO country offices, which are headed by an FAO Representative, is to assist governments to develop policies, programmes and projects to achieve food security and to reduce hunger and malnutrition, to help develop the agricultural, fisheries and forestry sectors, and to use their environmental and natural resources in a sustainable manner.

Reporting Lines

Under the overall supervision of the FAO Representative in Pakistan, the direct supervision of the Assistant FAO Representative (Programme) and Deputy FAOR, technical supervision of the Lead Technical Officer and guidance of the National Project Coordinator, the consultant will undertake the following activities;

Technical Focus

Comprehensive technical and policy expertise to support the planning, development and implementation of Regional programmes, projects, products and services in accordance with Regional objectives and FAO strategic objectives. Research, technical analysis, and project related services to support the delivery of project.

Key Results

- Brief document outlining key land governance issues affecting the project-targeted areas prepared;
- Assessment of national and provincial land related legal, policy and institutional frameworks prepared;
- VGGT training modules and workshop programmes prepared;
- Research regarding the impacts of the land tenancy agreements signed during project implementation carried out and document outlining its results prepared ;
- Capacity needs assessment related to land governance carried out and document outlining its results;
- Project's inception report prepared.

Key Functions

- Prepare a brief document outlining key land governance issues affecting the project-targeted areas. In this context, identify current institutional and socio-cultural barriers and gaps related to land and natural resources governance and outline a set of capacity development strategies to mitigate and narrow this gap;
- Carry out an assessment of national and provincial land related legal, policy and institutional frameworks against principles and best practices encompassed in the Voluntary Guidelines on the Responsible Governance of Tenure of Land, Fisheries and Forests in the Context of National Food Security (VGGT) to identify areas in which the VGGT is relevant and applicable in Sindh's context. Based on the results, prepare a technical document (with a road map) with findings and ways forward for the VGGT's implementation in Sindh, as a way to improve land governance;
- In line with the document mentioned under item 2 above, develop country/province tailored frameworks and training modules for awareness raising and capacity building activities related to the VGGT, to be implemented in the project areas. Subsequently, support the organization and serve as resource person on ten multi-stakeholder capacity building activities/workshops on the VGGT;
- Conduct a research regarding the land tenancy agreements signed during the implementation of the project, documenting the impacts of such agreements on the lives of landlords and 'Haris' with a special focus on changes related to tenure security, agricultural productivity, livelihoods and overall life quality of the involved households. Based on the results, prepare a brief paper with the outcomes and lessons learned of that initiative, with specific recommendations of best practices for the development of similar agreements in the context of the current project;
- Undertake a capacity needs assessment related to land governance issues targeted to local and provincial institutions as well local level NGOs and grassroots organizations, using the VGGT and the Land Governance Assessment Framework as main reference tools. Develop a set of strategies for enhanced responsible governance of communal land and natural resources based on capacity development activities;
- Provide technical guidance to Project Team and Implementing Partners on VGGT;
- Provide Guidance and facilitate Project Team in initiating project activities with reference to VGGT;

- In close collaboration the project's team prepare the project's inception report and provide support to the project's inception workshop;
- In collaboration with Project Team design reporting formats for VGGT Interventions;
- When feasible, participate in the Project Steering Committee meetings as an ex officio member;
- Any other duty as assigned.

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING
