Deadline For Application: 06 November 2017

JOB TITLE: Integrated Pest Management/Entomology Specialist

TYPE OF CONTRACT: PSA

DUTY STATION: Addis Ababa

ORGANIZATIONAL UNIT: Subregional Office for Eastern Africa (SFE)

DURATION: 11 Months

---

*FAO seeks gender, geographical and linguistic diversity in its staff and consultants in order to best serve FAO Members in all regions.*

---

**Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.**

**Persons with disabilities are equally encouraged to apply.**

**All applications will be treated with the strictest confidence.**

---

### Organizational Setting

FAO's Sub-regional Office for Eastern Africa (SFE) is responsible for developing, promoting, overseeing and implementing agreed strategies for addressing sub-regional food, agriculture and rural development priorities. It develops and maintains relations with sub-region-wide institutions including Regional Economic Integration Organizations (REIOs). It assists the FAO Representations (FAORs) in the sub-region with addressing sub-regional food security, agriculture and rural development issues at country level. The Sub-regional Office is a subsidiary of FAO's Regional Office for Africa.

The post is located in Addis Ababa, Ethiopia

### Reporting Lines

The Integrated Pest Management/Entomology Consultant reports to the Sub-regional Coordinator, SFE with functional guidance provided by the Crop Production Officer, SFE

### Key Results

Collection and analysis of information, data and statistics and project / meeting services to support the delivery of products and services for various programmes and projects.

### Key Functions

- Collects and analyses relevant technical, social, economic, environmental, institutional and technology related information, data and/or statistics to support the delivery of programme projects, products and services;
