Organizational Setting

The Liaison Office advises and assists in the development and implementation of FAO policies and decisions concerning enhanced FAO cooperation and partnerships with the United Nations system, including in the inter-agency mechanisms such as the CEB, HLCP and UNDG and with other international organizations, non-state actors and institutions located in New York. It also engages in dialogue with member states providing assistance and support in their discussions at different UN fora on matters related to the mandate of FAO. The Office promotes, advocates and raises awareness towards the implementation of the 2030 Agenda for Sustainable Development and the achievement of the SDGs, in particular Goal n.2.

It also has the responsibility to establish regular contacts with the following countries that do not have a Permanent Representation in Rome through their Missions in New York: Kiribati, Marshall Islands, Micronesia, Nauru and Palau.

In particular, the Senior Liaison Officer, will contribute to FAO efforts for the implementation of the 2030 Agenda for Sustainable Development, including the 17 Sustainable Development Goals (SDGs), by engaging with the member states, the UN System as a whole and all other actors involved in this endeavour. The SDGs will shape national development plans over the next 15 years. From ending poverty and hunger to responding to climate change and sustaining our natural resources, food and agriculture lies at the heart of the 2030 Agenda.

The position is located in New York, USA
