| | | | |
|----------------------|--------------------------------------|---------------|--|
| POSITION TITLE: | Investment Support Officer | GRADE LEVEL: | P-3 |
| ORGANIZATIONAL UNIT: | Africa Service (TCIA) | DUTY STATION: | Abidjan, Côte d'Ivoire |
| | Investment Centre Division, TCI | DURATION*: | Fixed-term: 2 years with possibility of extension |
| | Technical Cooperation Department, TC | POST NUMBER: | 0024538 |
| | | CCOG CODE: | 1E |

* The length of appointment for internal FAO candidates will be established in accordance with applicable policies pertaining to the extension of appointments

Qualified female applicants and qualified nationals of non-and under-represented member countries are encouraged to apply.

Persons with disabilities are equally encouraged to apply.

All applications will be treated with the strictest confidence.

The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization.

Organizational Setting

The Investment Centre Division (TCI) promotes investment in food security, agriculture, rural development, natural resource management and agro-processing in developing countries and countries in transition, assisting governments and country stakeholders, main development partners, in particular international financing institutions with the strategic planning and implementation of their investments to achieve food security and nutrition, make agriculture, forestry and fisheries more sustainable and productive, reduce rural poverty, make food value chains more efficient and inclusive and promote climate change adaptation and/or mitigation.

TCI is a multidisciplinary division composed of three regionally focused services, namely Africa Service, Asia and the Pacific Service, and Europe, Central Asia, Near East, North Africa, Latin America and the Caribbean Service.

The post is located in TCIA.

Reporting lines

The Investment Support Officer reports to the Chief, Africa Service and works in collaboration with the Head of the Decentralized Office (DO) of assignment.

Key Results

Provision of technical assistance and support the capacity development for (i) the design of investment operations, in collaboration with country stakeholders and cooperating partners, to mobilize resources for food security, agriculture, rural development, natural resource management and agro-processing; and (ii) implementation support and evaluation of investment operations, in accordance with the FAO Strategic Framework.

Key Functions

- Participates in multidisciplinary teams for the identification and preparation of investment operations in the fields of for food security, agriculture, rural development, natural resource management and agro-processing, and participates in pre-appraisal and appraisal missions.
- Supports the implementation of investment operations and the preparation of final evaluation.
- Participates in the preparation of for food security, agriculture, rural development, natural resource management and agro-processing studies and strategies, in the formulation of national sector and/or sub-sector investment plans and programmes.
- Support the development of inclusive and sustainable food systems involving producers, their organizations, other private sector actors, civil society organizations and governments.
- Contributes to capacity development activities in the areas of for food security, agriculture, rural development, natural resource management and agro-processing investment support to government staff, non-state actors and private sector organizations.
- Prepares reports in accordance with governments and financing partners' requirements.
- Promotes knowledge sharing and best practices at international meetings and conferences, and interacts with international and national partners.
- Contribute to the development and updating of FAO's Country Programming Framework (CPF) and the formulation of related projects and programmes.
- Provide inputs in the area of expertise and ensure quality outputs to the DO team.
- Supports resource mobilization activities in accordance with the FAO Corporate strategy.
- Perform other related duties as required.

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING

Minimum Requirements

- Advanced university degree in [economics, agricultural economics, agricultural sciences, environmental sciences, agribusiness management, natural resource management, irrigation and drainage engineering, rural infrastructure engineering, social sciences or a related field]
- Five years of relevant experience in [conducting agricultural/rural sector/subsector analytical studies, and/or in planning, design, supervision of agricultural and rural investment operations, including elaboration of feasibility studies and implementation of agricultural and rural investment operations in developing countries and/or countries in transition]
- Working knowledge of [French and English]

Competencies

- Results Focus
- Teamwork
- Communication
- Building effective relationships
- Knowledge sharing and continuous Improvement

Technical/Functional Skills

- Work experience in more than one location or area of work, particularly in field positions is desirable
- [Relevance of experience in participating in multidisciplinary teams for the preparation of strategies and sector studies as well as formulation, implementation support or evaluation of food security, agriculture, rural development, natural resource management and value chain investment operations
- Knowledge of investment design, implementation support, Monitoring and Evaluation procedures of FAO's main development partners, in particular the World Bank, the International Fund for Agricultural Development (IFAD)

- Demonstrated capacity to write technical reports in English and/or French
- Relevance of experience in the region or sub-regions covered by the specific vacancy]

N.B. Willingness to travel frequently to developing countries and/or countries in transition and for geographic mobility reassignments. In line with FAO's Decentralization Policy, a number of TCI professional staff positions have been assigned to Decentralized Offices (DOs), including Regional, Subregional and Country Offices. Locations are based on the needs and priorities identified in the respective regions, and can be modified to respond to changing priorities. Incumbents are expected to remain at least three years at a given duty station; and may rotate with Rome headquarters or another DO. The purpose of this Vacancy Announcement is to build a roster of candidates meeting a wide range of expertise such as economics, agriculture, natural resource management, irrigation and water management, rural sociology, etc. First assignment to a DO of newly recruited officers may be preceded by an initial period at headquarters for on-the-job training and familiarization with TCI's operations. For more information of FAO regional coverage in Africa please consult the following link: <http://www.fao.org/africa/en/>

Please note that all candidates should adhere to *FAO Values of Commitment to FAO, Respect for All and Integrity and Transparency.*

ADDITIONAL INFORMATION

- All candidates should possess computer/word processing skills.
- As part of the evaluation of your application for this position, you may be requested to undergo written assessment, which may be followed by a competency-based interview.
- Your application will be screened based on the information you have entered in your iRecruitment profile (see below under the *How to Apply* section). Before applying for a vacancy, we strongly recommend that the information you have provided in all sections of your profile are accurate and complete, including employment record, academic qualifications and skills.
- Please note that FAO will only consider academic credentials or degrees obtained from an educational institution that is recognised in the IAU/UNESCO list.
- Other similar positions at the same level may be filled from this vacancy notice and the endorsed candidates will be considered for the Employment Roster for a period of 2 years.
- Candidates may be requested to provide performance assessments.

REMUNERATION

A competitive compensation and benefits package is offered. For information on UN salaries, allowances and benefits, click on the following link: http://www.un.org/Depts/OHRM/salaries_allowances/salary.htm
