

Food and Agriculture Organization of the United Nations

Vacancy Announcement No: IRC5697

Issued on: **5 September 2018**
Deadline For Application: **26 September 2018**

Position Title:	Senior Policy Officer (Food Security And Nutrition)	Grade Level:	P-5
		Duty Station:	Chile, Santiago
Organizational Unit:	Regional Office for Latin America and the Caribbean (Santiago), RLC	Duration *:	Fixed term: 2 years with possibility of extension
		Post Number:	2000750
		CCOG Code:	1L09

The length of appointment for internal FAO candidates will be established in accordance with applicable policies pertaining to the extension of appointments

- **FAO is committed to achieving workforce diversity in terms of gender and nationality.**
- **Persons with disabilities are equally encouraged to apply**
- **All applications will be treated with the strictest confidence.**
- **The incumbent may be re-assigned to different activities and/or duty stations depending on the evolving needs of the Organization**

Organizational Setting

The Regional Office for RLC is responsible for leading FAO's response to regional priorities for food security, agriculture and rural development through the identification, planning and implementation of FAO's priority activities in the region. It ensures a multidisciplinary approach to programmes, identifies priority areas of action for the Organization in the Region and, in collaboration with departments and divisions at Headquarters, develops, promotes and oversees FAO's strategic response to regional priorities. RLC also advises on the incorporation of regional priorities into the Organization's Programme of Work and Budget and implements approved programmes and projects in the region, monitors the level of programme implementation and draws attention to problems and deficiencies. RLC develops and maintains relations with region-wide institutions including the Regional Economic Integration Organizations (REIOs). The Regional Office supports regional policy dialogue on food security, agriculture and rural development issues, facilitates the emergence of regional partnerships, and supports capacity development and resource mobilization for food security, agriculture and rural development in the region.

The post is located in the Regional Office for Latin America and the Caribbean in Santiago Chile.

Reporting Lines

The Senior Policy Officer reports to the Assistant Director General, Regional Representative and maintains regular contact with FAO headquarters in Rome for functional guidance on matters relating to policy and governance support in the food and nutrition sectors.

Technical Focus

Provides leadership, guidance and operational support for results-based policy assistance and governance work of decentralized offices in the Region, in relation to regional and sub-regional policy issues, and provides guidance to the work of policy officers posted at country level in relation to their work on economic policy related to agriculture, food security and nutrition.

Key Results

Development and implementation of coherent, integrated and effective policy assistance and governance work supporting member states at regional and country level: i) in accordance with the FAO Strategic Framework and its delivery mechanisms, and ii) in response to new policy assistance requests.

Key Functions

- Manages or leads highly specialized or multi-disciplinary teams, and provides technical leadership in high-level policy analysis missions or projects, policy networks and/or international policy setting bodies
- Leads the work carried out by technical or policy officers from HQ or out-posted staff in the Decentralized Offices in relation to policy and governance work under FAO's strategic framework
- Advocates strategic partnerships, best practices, and policy dialogue in support of enhanced policies and governance for food and nutrition security, sustainable agriculture and food systems
- Interacts with UN Regional and Country teams to improve cross-sectoral policies and strategies concerning agriculture, food, and nutrition security and sustainable development
- Analyzes regional and country-level issues to provide input into the identification of country and regional priorities and requirements
- Designs, implements and monitors regional and sub-regional policy work programmes and the supporting budgets and/or resourcing strategies
- Plans, organizes and participates in capacity development activities involving the provision of technical advice

- and assistance, and oversees the development of related materials, on-line tools and information kits.
- Represents the Organization at international/inter-governmental meetings and conferences

Specific Functions

- Leads and/or provides technical and policy support to FAO regional initiatives, strategic partnerships and cooperation initiatives with member countries as well as UN, international and regional organizations and regional multilateral processes within region
- Leads, participates in or contributes to missions for: (a) identification, formulation, appraisal and backstopping of regional programmes and projects in areas of FAO's mandate; (b) reviewing and developing technical cooperation programmes in line with economic policy, food security and nutrition priorities and frameworks of the region and its member countries; (c) policy-related technical support to FAO Representatives in the formulation/revision of their Country Programming Framework (CPF), and in the participation in in-country multilateral processes such as the CCA, UNDAF, and PRSPs, particularly in the context of the One UN reform
- Promotes FAO's field programme in the region, in line with national and FAO strategies and priorities, covering project identification through preparation, approval and facilitation of resource mobilization
- Contributes to technical servicing of FAO regional statutory bodies, including the regional conference and other relevant regional fora
- Contributes to the work of the policy assistance and resource mobilization by covering the regional dimension of its programmes
- Mobilizes resources and develops and maintains strategic alliances with key partners

CANDIDATES WILL BE ASSESSED AGAINST THE FOLLOWING
