

## *Developments in Fora of Importance for the Mandate of FAO*

*Mrs. Lorraine Williams, ADG/OCE, Office of Corporate  
Communication and External Relations (OCE)*

3rd Session FAO Council  
November 2011

- The outcome of the Conference confirms the validity of the DaO approach
- A key recommendation of the Conference is to extend the DaO approach beyond the pilot and self-starter countries
- FAO's input to Montevideo is based on lessons learned through a survey conducted in 15 countries

- This Forum marks the shift from aid to development effectiveness
- FAO's input to UNDG messages emphasizes the need to invest in productive sectors and to strengthen programme countries' capacities
- Country level focus remains a priority in the post-Busan agenda

**THANK YOU**
