The message is sent on behalf of Zimbabwe and South Africa

Title: **Proposed Draft Definition for Biofortification**

Committee: Codex Committee on Nutrition and Foods for Special Dietary Uses

Session: 40th session

Chair of the EWG: Zimbabwe

Co-Chair: South Africa

Working Languages: English

Description of work: At the 39th session of the CCNFSDU the Committee noted that a number of aspects in the biofortification definition needed further consideration, as well as the questions on where the definition would be placed and how it should be used. The Committee agreed to re-establish the EWG to: 1) Refine the draft definition and its accompanying footnotes' texts on the basis of the comments received and CCNFSDU39 recommendations; 2) Explore other alternative terms to biofortification; 3) Consider the request from CAC38 on how the definition would be used and where it would be best placed.
