“Emergency assistance for immediate protection of livelihoods and food security through provision of critical livestock inputs in the flood affected areas of Khyber Pakhtunkhwa”

Project code: OSRO/PAK/009/EC

Donor: European Commission

Contribution: EUR 2 000 000

Implementation: 01/09/10 – 28/02/11

Target areas: Khyber Pakhtunkhwa

Contact: Daniele Donati
Chief, Emergency Operations Service
Email: daniele.donati@fao.org

Objective:	To provide assistance to vulnerable livestock farmers in the flood-affected area to protect and restore livestock productivity.
Key partners:	The Ministry of Food and Agriculture and 11 national and international non-government organizations.
Beneficiaries reached:	39 000 households (312 000 individuals).
Activities implemented:	<ul style="list-style-type: none">Provision of emergency livestock packages to 39 000 severely flood-affected households, each receiving supplementary animal feed (120 kg); de-wormer tablets (250 mg per bolus) and materials to construct temporary animal shelters (39 000 sets).Training for 39 000 beneficiaries (including 8 600 women) on the effective use of project inputs and good livestock production techniques, including a technical handout and tips on keeping animals healthy and productive.
Results:	<ul style="list-style-type: none">Livestock survival and productivity safeguarded through the provision of quality inputs.Capacity of flood-affected households enhanced through training in appropriate livestock techniques.Cost-effectiveness achieved through ensuring productive assets were kept alive, thus avoiding the need for animal restocking/purchase.
