

FAO Office of Evaluation

Evaluation of FAO's cooperation with Brazil 2002-2010

Annex 9

FAO national and global projects on the Right to Food at a glance

| Projects | Core Outcomes |
|--|--|
| National Projects | |
| GCP /BRA/063/GER 7/2004 – 12/2005 (18 months) US\$ 345,724 | Support the consolidation, strengthening and expansion of the functions of the <u>National Rapporteur on Human Rights to Adequate Food, Water and Rural Land</u> for two years in anticipation of these functions being performed by <u>other bodies</u> on a sustainable basis. Five (5) objectives, more than 20 outputs and 60 activities foreseen. |
| UTF/BRA/064/BRA | An on-line training on the Right to Food in the context of Food and Nutritional Security, addressing public servants funded through the UTF/BRA/064/BRA that is an ongoing project of support to “ <i>Fome Zero</i> ” programme. |
| Global Projects | |
| GCP /INT/970/GER | <ul style="list-style-type: none"> • Right to Food is institutionalized into FAO's work. • Methods and instruments to assist the implementation of the Right to Food at national level are developed. • The Right to Food concept and practical value is understood and supported by rights holders, duty bearers and society at large. • Capacity at national level to implement the Right to Food is strengthened. |
| GCP /INT/995/SWI 12/2005 – 06/2007 (US\$ 50,000 for BRA) | |
| FNOP/INT/105/NOR 4/06–3/2008 (US\$ 340,000 for BRA) | Progressive realization of the Right to Food, in support of FAO activities aimed at mainstreaming and implementing the Voluntary Guidelines for the Realization of the Right to Food. |
| FNOP/INT/002/NOR | |
| FMPP/ GLO/002/MUL | |
