Regional workshop on lumpy skin disease prevention, control, and awareness

Budapest, Hungary, 7-9 March 2017

Upcoming awareness strategies

- Objectives: **we meet with private veterinarian , about the starting of campaign of vaccination for 2017**
- Start date of awareness campaigns: **on April we have to print leaflets .**
- Targeted stakeholders: **before we start to do the vaccination we have too meet association of farmers**
- Scope: **about the reason why we have to do the vaccination of the cattle , we have to discus with farmers and cattle association about collaboration in time of vaccination for lsd disease**
