

Dear participant,

You are invited to join the following webinar on EU food waste prevention organised by the European Commission as part of the best practice sharing of the G7 Resource Efficiency Alliance:

European Union actions to prevent food waste

An overview of the main initiatives to prevent food loss and waste in the European Union (EU) hosted by the European Commission, Directorate-General for Health and Food Safety

Wednesday 28 November 2018, 16:00 – 17:30 (Brussels, GMT+1)

Register [here](#)

Agenda of the event:

- **EU actions to fight against food waste** – Anne-Laure Gassin, Policy Officer, Food information and composition, food waste; Directorate-General for Health and Food Safety
- **Overview of Horizon 2020 project REFRESH: main actions and deliverables to prevent food waste and promote valorisation of food resources** – Toine Timmermans, project co-ordinator REFRESH
- **European Food Banks Federation: actions to promote food donation and prevent food waste** – Angela Frigo, Secretary General, FEBA
- **Q&A session**

Each presentation will be followed by a short Q&A session to address any immediate questions. At the end of the webinar, there will be a general Q&A session moderated by the host. Participants are encouraged to send in their questions in writing at any time during the event, by using the Q&A window of the WebEx application.

Disclaimer: Note on processing of personal data in the context of the webinar:

By registering and logging on to this Webinar, the participant agrees to the following: - personally identifiable information of participants may be heard, seen, read, collected, or used by DG SANTE as the organizer and the other Webinar participants; - any communication or information transmitted during the Webinar, such as voice, instant messages, or presentations are available to and may be recorded and further used by DG SANTE as the organizer; - DG SANTE may further use the information available on the Webinar organization such as the invitee lists, the attendee logs and the Webinar subject matter information.

This Webinar participants shall apply appropriate circumspection when directly disclosing their personally identifiable information or personally sensitive data on the occasion of the Webinar since this information may be collected and used by other participants.

Regulation (EC) No 45/2001 regarding the processing of personal data is applicable in the context of this Webinar organized by DG SANTE as the Directorate-General of Health and Food Safety.

Practical information

(1) How to join the webinar

Please register for the webinar by clicking on [this link](#). You will be asked to provide the following information: name, surname, email, organisation, country.

Note: If you have never used the WebEx application before, you might be asked to install the Cisco WebEx add-on. Just follow the steps as indicated on your screen.

Step 2 of 2: Install the Cisco WebEx add-on

Follow these steps to install the Cisco WebEx add-on:

- 

Open the `Cisco_WebEx_Add-On.dmg` file.
- 

Double-click the add-on icon and then follow the installation instructions.

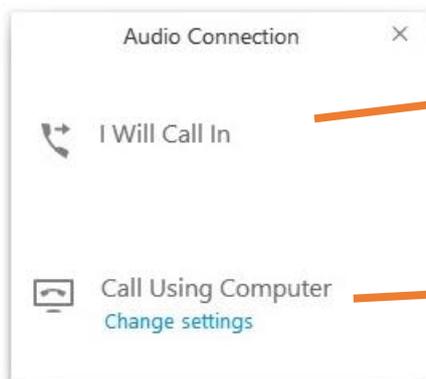

Still having trouble? [Download the add-on again.](#)

(2) Add the webinar to your Outlook calendar

Once registered, you will receive an automated email with a calendar invitation attached. Please save the event to your calendar.

(3) Audio connection

On the day of the event, in order to connect to the audio of the webinar, you can choose among these options that will appear on your screen:

Choose the number from the [Global Access Numbers list](#) according to your location

OR

Connect using your computer's audio system
